CF Youth and Children NEWSLETTER

Abigail arrives

A grey day at Manchester airport got brighter as Abigail Sathulu, our summer Intern from Zambia stepped onto the tarmac. Abigail will be based at the Youth and Children's Office until October, and also working on church placements at Hutton, Stambourne and Scunthorpe churches. She's the one with orange hair!

"Perfect for everyone"

JASMINE TANSUR IS THE NEW CHAIR OF **CF-XTRA'S** CORE TEAM

I am a leader at Market Harborough Congregational Church and I enjoy it loads: spending time with the children and helping to expand their faith. It's amazing! It was election time and I thought to myself, "I could be a part of the Core Team. I've got to do this!" I wasn't a Christian when I was little and I found my faith through CF Youth, the former youth camps. So this is why I wanted to take on the position of the Chair Person because I guess I wanted to make sure it was perfect for every young person that attended just like it was when I was younger.

I currently take on a lot of leadership in my job at Sainsbury's and I feel I've gained a lot more **skills about organisation** as well. This is good because we need one of us to be a bit organised after all we are still teenagers! What I'm looking forward to is this year's Summer Camp because we as a Core Team have done so much more by ourselves this year. I think it will really show what we can do as a group. I'm looking forward to there being new people on the Core Team and for it to grow bigger and stronger and for us to start running some awesome regional events because I think that is our **next step** to make happen.

The Hungarians are coming

A group of 6 young people and two leaders from the New Reformed Church at Veszprém in western Hungary will be with us for two weeks this summer. As well as joining Summer Camp they will be in the South East 25th to 27th July and the North West 1st to 3rd August. If your church would like to meet them, please contact Stephen.

Community House

Opens

The new paint has dried, floors and windows are gleaming clean and the kettle is on. The Youth Community House at Heaton Park in Manchester open. House Leader Kathryn has been joined by new participant Sapphira and Intern Abigail as the first community members.

Applications for a place at the House are always welcome. Foday Kamara – Convener of the Youth and Children’s Group – heads up the House Management team. ‘This is a fantastic project’, he says, ‘and we are all excited about providing a place that young people can grow together in Christian discipleship.’

Foday and Kathryn are putting together a ‘wish list’ of items still required for the House and hope to engage churches in the North West Area in finding those elusive table lamps, garden chairs, etc.

Child Friendly Coaching

ANY CHURCH MEMBER can help make their fellowship a great place for children to belong. This Autumn we are holding another four regional Child Friendly Coaching Days. These are for anyone and everyone, not just leaders and not just churches on the Award Scheme. So far this year 86 people from 29 churches have taken part in this programme.

Each day is from **10.00 am to 4.00pm** and - if booked in advance - places are £10 including a meal, refreshments and a pack of resources. More details are on the Federation website, where you can also book and pay online.

REGION	DATE	VENUE
