

**Foster  
with US**

**There is a desperate shortage of foster carers  
across the UK.**

Our faith teaches us that children need love and nurture.

Unfortunately, this is not the experience of over  
**30,000 children each year who enter the care system.**

Having faith in fostering situations can be hugely beneficial for these vulnerable young people who may have experienced trauma, abuse and neglect. **Our faith can provide them with structure, stability and a whole community** to support the fostering family.

If you think you could change a child's life for the better and **welcome them into your heart and your home**, contact your local fostering service today.

There are many organisations out there who welcome faith in fostering and who do not profit from the services they provide for young people. It's easier than you think, **you just need an open heart and a spare room.**
