## Good News Bible

This GNB Youth Bible features a whole new journaling element to it and lets young people express themselves in response to the text. There are wide margins, spaces to doodle and fill in. This Bible also features questions and prompts with space for answers. And these are on every page of the Bible.

You may want to apply for a mini grant to buy Bibles for your youth group. [https://](https://www.congregational.org.uk/grants/mini-grants)

Welcome to our first edition of InForm. Over the coming months we plan to share with you information that may be helpful to your churches ministry with children and young people.

We are looking to build up a network of Children and Youth workers for mutual support and encouragement. If you would like to be part of this, please let us know and we will add your e-mail to the list.
