## Scripture Union- Revealing Jesus

With a staggering 95% of all under 18s not in church, the task of reaching them with the good news of Jesus is huge. But so too is the opportunity!

The Revealing Jesus mission framework will not only help your church to connect with the 95% but will also provide you with the support and resources you need to continue to walk alongside them as they discover and grow in faith. [click below for more details](#)
