The Youthscape Prayer Band is a fantastic new way to help young people develop the practice of daily prayer. It's a physical and practical reminder of six types of prayer with the simple challenge to complete the circle - and all six prayers - through each day. for more information click here:

CWM Internship Programme

This is a creative and innovative opportunity for 21-30 years old to experience between 6-12 months to explore faith alongside work in an international mission organization. As CWM is located in six regions (Pacific, Africa, Europe, Caribbean, East Asia, South Asia) with its main office in Singapore, the Internship will involve opportunities to work in one or more of these locations and so be an excellent opportunity to explore and experience a different culture. for more information click here: <https://www.congregational.org.uk/news-and-events-latest-news/latest-news/post/785-cwm-internship-programme>
