

INFORM

"I am the light of the world. Whoever follows me will not walk in darkness, but will have the light of life. John 8:12

Stephen Neal, author of The Scariest Stories Are Always True, points out in his new evangelistic tract...

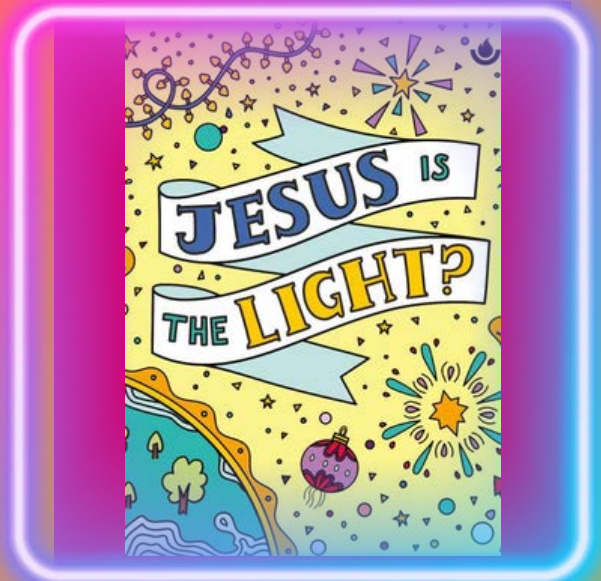

In this short tract, Neal unravels the scariest story of all—that as long as we remain in sin, we are like the “walking dead...headed for destruction.” But because of the resurrection of Jesus, we have the hope of being resurrected into new life as well. Do you want to introduce that hope to someone this Halloween? [click here for more details](http://www.uk.10ofthose.com/product/9781915705501/the-scariest-stories-are-the-true-ones)

Any news or information you want to share let us know: support@congregational.org.uk

A new member at Ashby de la Zouch CC

The young man thanked his family for all their support and understanding, his church family for making his experience of church so fantastically full of nurture and guiding presence and those at school for accepting him being openly Christian and who have indirectly helped him to deepen the understanding of his faith by asking him particularly challenging theological questions at 8.30am on a Monday morning! And of course "a big thank you to the MAN upstairs for being a constant, reassuring presences in his life!" He hopes that being a church member will allow him to further spread his faith with renewed enthusiasm.

HARVEST AT OUR CHURCHES

We have had a fantastic Harvest weekend at Tapton Hill Congregational Church. Lots of families at Lego Harvest yesterday designing factories for iconic Sheffield food products. Last night we heard from Joseph Nockels who shared with us his experience of the West Bank over Palestinian food. We prayed for peace in the region.
