Church: Congregational Federation

Why join CWM:
I am interested in the ecumenical movement as I think it serves an important role in coming together and spreading the important work of the church. This programme is interesting to me because I can see more of how the ecumenical movement works in practice in more detail.

Adam will start the CWM internship programme this year. Please keep Adam in your prayers as he starts this new adventure

Keith has faithfully served the Congregational Federation office in Nottingham in many ways for over 25 years. Keith makes sure the centre is clean, everything is set up for meetings and training and lunch is ready. Keith also does so much more and we will miss him very much.
