

Envisioning worship conference

8th – 9th March 2025

What if God is Child?

This conference is for *anyone* interested in how worship can influence the life and mission of the church ...

We will explore the idea of God as Child, in a range of ways, drawing on the specialisms of different people to open up the question and its possibilities ...

In particular, we will engage with topics *such as*:

- Be-child-ing God: the power of metaphors
- The Child in the Bible
- Revisiting worship and mission: Chaos and curiosity
- Revisiting worship and mission: Play and Imagination
- Revisiting worship and mission: Friendship
- A Learning God
- Child as trailblazer: raging and dancing
- Suffering and God the Child

The conference can be attended residentially (£200), which includes Saturday lunch and dinner, and Sunday breakfast and lunch; or non-residentially (£120), which includes both lunches.
